

## Supersonic Wall Panel / Wall Panel Artwork

Akuart A/S

The product has been declared and approved according to the criteria in Möbelfakta:

### Quality - Environment - Responsible supply chains

#### Description

Akuart Supersonic Wall Panel is a certified Class A (ISO 354) sound absorber. A PET absorber of at least 50% post-consumer recycled content is enclosed in an aluminium frame made from 75 or 100% recycled material. Metal corner inserts reinforce the frame. Front surface is a removable textile made from 100% recycled polyester, optionally printed with Oeko-Tex-compliant inks. Frame available in 24 powder-coated colours or raw aluminium. Panels come in standard and custom sizes.

**Article No.:** SS50WP / SS50WPA
